Questions and Answers	Carrie Pinasco, Senior Director, Midwest Alliance for Patient Safety PSO	10:55 to 11:00 am

This webinar is open to all IHA members and Illinois healthcare providers. IHA is offering this event through its component patient safety organization, Midwest Alliance for Patient Safety PSO (MAPS.) MAPS PSO has been providing support since 2015. Join this informational event, IHA and MAPS: Conducting Patient Safety Activities Across a Health System and Case Law Update. This is a great opportunity to learn about how state privilege laws and the Patient Safety and Quality Improvement Act (PSQIA) protect — and sometimes don't protect — patient safety activities. Review key case law and understand how to align policies and practices to strengthen protections for Patient Safety Work Product (PSWP.) Invite your organization's internal and external legal counsel, risk management teams, quality/patient safety professionals, and more. Attendees are eligible to receive nursing CE's and legal MCLE credits.

Meeting Objectives:

At the conclusion of this program, participants will be able to:

1. Address compliance standards and strategies to assure providers meet program integrity expectations:
 - ✓ Principles for sharing PSWP within a complex health system.
 - ✓ What it means to be a “provider” and its implications for health system organizations and joint venture arrangements.
 - ✓ Event reporting constructs and considerations.

2. Analyze a few select case opinions on the PSWP privilege to identify lessons and strategies for operations and litigation.

3. Understand the distinction between providing arguments and answers in court challenges.

The Illinois Health and Hospital Association (IHA) is the CE sponsor of this program and the Midwest Alliance for Patient Safety (MAPS) PSO is the host and content developer.

The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 1.0 hour of nurse continuing education credit for this program.

The Board has approved this course for 0.75 Illinois MCLE general credit hours.
