

Identifying ACA adults in the Meridian secure provider portal

Eligibility Check

- 1 Within the **Eligibility Check** screen, search member ID or last name and DOB
- 2 Click **View Details** for member information and eligibility history
- 3 An ACA adult's status will display as "Medicaid Expansion" under the product name in the **Eligibility History** section

Identifying ACA adults in the Meridian secure provider portal

Download Patient List (PCPs with assigned members only)

- 1 When logged into the portal, click on the **Patients** tab in the top toolbar
- 2 Click **Download** to export a complete patient list as an Excel spreadsheet
- 3 Identify ACA adults listed as "Medicaid Expansion" in the **Product Name** column (Tip: Use the "Filter" function to segment ACA adults)

★ **Redetermination date:** Find and sort member renewal dates to prioritize outreach to patients with approaching deadlines
