

Legal Webinar with Wes Butler, JD – [REGISTER NOW!](#)**IHA and MAPS PSO Legal Webinar: The Legal Value of PSO Membership and State Reporting Mandates****Thursday, September 10, 2026 – 10:00 - 11:00am**

Join this informational event to collaborate and learn about how adverse event state reporting laws and the Patient Safety and Quality Improvement Act (PSQIA) will impact your organization.

This webinar is complimentary to all IHA members. Whether you are a member of a patient safety organization (PSO) or not, it is important to understand the nuances of what is protected under PSO federal protections.

Who should attend?

- In-house legal counsel
- External legal counsel
- Directors of risk management
- Directors of patient safety and quality

Don't miss this opportunity to learn more about these critical issues and earn nurse CE and legal MCLE credits. The program is sponsored by IHA and hosted by MAPS PSO. It is complimentary to all IHA and MAPS members and to the counsel representing them.

Nurse CE Credit

The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 1 hour of nurse continuing education credit for this program.

Illinois MCLE Credit

The Board has approved this course for .75 Illinois MCLE general credit hours.

Learning Objectives:

At the conclusion of this program, participants will be able to:

1. Explain how protections under the Patient Safety and Quality Improvement Act of 2005 (PSQIA), Patient Safety Organization (PSO) case law and emerging Illinois reporting requirements may affect program integrity, legal strategy, and event reporting practices.
2. Analyze selected court opinions concerning the Patient Safety Work Product (PSWP) privilege to identify lessons and strategies for operations and litigation.
3. Distinguish among PSO reporting pathways and determine when each should be used.
