NURSING CEUs

The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 2.0 hours of nurse continuing education credit for this program.

MAIC INSURED PHYSICIANS

MAIC-insured physicians who attend this program *may* be eligible for a premium discount. A certificate of completion will be mailed at the conclusion of the program.

DESCRIPTION

This webinar will provide risk managers, nurse leaders, frontline nurses, APPs, physicians, and attorneys with information regarding medical malpractice claim trends and risk management challenges affecting hospitals and clinicians. Speakers will present current issues and recommendations to assist in reducing liability exposure, improve physician quality of care, and patient safety.

OBJECTIVES

- Discuss closed claim frequency and severity, recent claims and trends.
- Discuss the legal and regulatory standards that apply to working with aging and/or impaired physicians, while maintaining an organizational “Just Culture” approach.
- Apply the legal and regulatory standards in developing, reviewing, and revising applicable physician aging and impaired practitioner policies.
- Discuss key legal and related regulatory requirements that obligate hospital-based practices to comply with medical staff quality and peer review standards.
- Review and revise medical staff bylaws and contracts to enforce legal and regulatory standards when working with hospital-based practice groups.

AGENDA

10:00 Welcome
