

PROFESSIONAL & GENERAL LIABILITY FOR ILLINOIS HOSPITALS

The **Illinois Provider Trust (IPT)** is a member-owned charitable risk-pooling trust that has provided financially stable coverage for hospitals and physicians since 1978. With an exclusive focus on Illinois healthcare, the program assists its members in improving the quality of care, reducing risk and controlling costs.

Superior Service

- ▶ *Our level of service far exceeds our competitors, evidenced by high client satisfaction scores and long-term client relationships.*
- ▶ *We provide early claims intervention with an emphasis on proactive risk management to identify liability exposures and reduce risk.*

IPT is managed by Illinois Risk Management Services, an affiliate corporation of IHA.

A Focus on Illinois Hospitals

IPT is a leader in medical professional and general liability coverage in Illinois. We offer a reliable source of protection with the benefits of risk sharing through a pooled trust.

▶ **Expert-led claims services:**

Our local claims management professionals are experts in Illinois law, process and jurisdictions. We provide a proactive and collaborative approach to claims management, designed to reduce liability and defense costs.

▶ **Tailored risk management services:**

We're focused on improving the quality of care, preventing future losses, providing timely consultation and offering relevant risk management education programs.
