

2025 MAPS PSO Annual Culture of Safety Workshop

CMS Patient Safety Structural Measure: Best Practices to Enhance Safety

Thursday, March 13, 2025 | 9:00 am – 3:30 pm

Is your hospital ready for the new Patient Safety Structural Measure (PSSM)?

Beginning this year, acute care hospitals must attest to patient safety measures across five domains defined by the Centers for Medicare & Medicaid Services (CMS).

Strengthen your patient safety efforts by attending an all-day workshop exclusively about the new PSSM. Hosted by MAPS PSO, the workshop will present best practices and strategies to adopt safer care.

GAIN INSIGHTS

- ▶ Strategies to meet many PSSM standards
- ▶ Internal resources and timeline needed to achieve compliance
- ▶ Best practices and tools for PSSM requirements

WHO SHOULD ATTEND

- ▶ CEOs, COOs, CMOs and CNOs
- ▶ Quality improvement leaders
- ▶ Risk management leaders
- ▶ Staff in compliance, accreditation and regulation
- ▶ Physicians, nurses and other clinical staff

ATTEND WITH YOUR TEAM

The workshop is open to MAPS PSO members and IHA members who are not part of MAPS.

Nurse continuing education credits are available for attending the live event. See our [program webpage](#) for registration fees, session descriptions and speaker bios.

JOIN US FOR AN IMPACTFUL DAY

The program will help ready your team for the PSSM and will enhance your patient safety efforts.
