Practical Strategies & Shared Learnings

May 20, June 6, June 24
12 – 1 p.m.

Hear from hospital and health systems across the state about their successful health equity initiatives. This complimentary webinar series will focus on implementation and key strategies so hospitals across Illinois can adopt proven health equity programs. IHA quality improvement (QI) experts will share a QI framework and step-by-step approach for creating a strategic health equity action plan.

Why Attend

By participating in all three webinars, you'll benefit by:

- ▶ **Engaging** with peers on their successful health equity efforts
- ▶ **Learning** the actions needed to adopt a health equity initiative
- ▶ **Understanding** a QI framework and approach to implementation

Who Should Attend

This webinar series is designed for hospital and health system leaders and teams responsible for the implementation of health equity initiatives within their organizations.

Live Virtual Series

May 20 Session 1: Health Equity in Action – Hospital Spotlights

You'll hear about Riverside Healthcare's and Cook County Health's initiatives, with time to ask questions and gain insights from the conversation.

June 6 Session 2: Health Equity in Action – Hospital Spotlights

This session will also feature initiatives from UChicago Medicine and Carle Health. Time also will be allotted for questions and discussion.

June 24 Session 3: Improvement Approach

You'll get an overview of a QI framework and will hear about key activities, successes and challenges in implementation.

There is no fee to attend. After registering, you'll receive the login information for all three webinars. IHA staff will provide follow-up materials after each session.
