

Date: September 12, 2024

Time: 10:00 AM

Webinar - 10-10:30 a.m.

This program is complimentary for IHA-member hospitals and health systems.

To support you in completing the 2024 IHA Racial Health Equity Progress Report (Progress Report), IHA staff will host an informational webinar that walks you through the submission process. The program will cover the benefits of completing the Progress Report and responses to frequently asked questions. You'll also have the opportunity to ask questions.

At the conclusion of this program, participants will be able to:

- Outline the steps needed to submit the 2024 IHA Racial Health Equity Progress Report.
- Understand the benefits to completing the Progress Report.
- Summarize responses to frequently asked questions that arise during the Progress Report submission process.

This webinar is designed for hospital and health system leaders and teams responsible for submitting the Progress Report within their organizations. This may include:

- Diversity, equity and inclusion
- Administration
- Operations
- Quality improvement
- Human resources
- Strategy and business development
- Legal affairs

- Compliance
- Public relations
- Government affairs

Christina Boyd, MPH

IHA Director, Quality, Safety and Health Policy

Boyd has over 14 years of experience in hospital associations, working to advance quality and health outcomes in Illinois hospitals. In her current role, Boyd is responsible for leading and coordinating quality and patient safety initiatives to support the implementation of improvement processes and improve member performance. She is the lead for various federal, state and local quality improvement projects, as well as the topic lead for patient and family engagement and EMS operations and policy development.

Jenny Winkler, MPH, CIC, CPPS

IHA Senior Director of Safety, Quality and Health Policy

With over 14 years of experience in healthcare, Winkler has extensive knowledge and expertise in the areas of infection prevention, patient safety, quality improvement and project management. Through IHA's Institute in Innovations in Care and Quality, she works with hospitals to support and enhance their patient safety and quality work.
