Time: 5:00 PM

IHA's Legislative Reception will be held at Maldaner's at 222 S. 6th Street in Springfield on Tuesday, Feb. 18, from 5:00 to 8:00 p.m.

Held the evening before the Governor's state budget address, IHA's State Legislative Reception provides an excellent opportunity to meet with Illinois legislators and constitutional officers and highlight critical healthcare issues heading into the spring legislative session.

As hospitals and health systems continue to navigate unprecedented challenges, IHA knows it has never been more important for elected officials to hear directly from their hospital leaders. As the spring session begins in earnest, establishing or renewing a relationship with your elected officials will be instrumental in advancing legislation that supports hospitals and health systems as they transform healthcare delivery across the state. IHA's State Legislative Reception provides a forum to meet your state legislators and communicate a unified message on key hospital priorities.

Also, please mark your calendars and plan to attend other key IHA events this spring, including:

- **IHA's State Advocacy Day**, Wednesday, April 30, with a morning kick-off at [Vinegar Hill Mall](#) in Springfield.
- **IHA Federal Advocacy Day**, May 4-6, during AHA's Annual Meeting, Capitol Hill, Washington D.C.
